Re: Hull WWTF Emergency Response Plan and I/I Control Plan
Town of Hull, MA Administrative Order on Consent, Docket No. CWA-01-AO-16-09

Dear Mr. Turin:

As identified in the Administrative Order on Consent (AOC), Woodard & Curran, on behalf of the Town of Hull is hereby submitting the *Emergency Response Plan* and *I/I Control Plan* for your review, comment and/or approval. Woodard & Curran began operation and maintenance of the Hull Wastewater Treatment Facility (WWTF) and Collection System on April 1, 2015. Therefore, in compliance with their NPDES permit, we are considering their I/I Control Plan Submittal to be sufficient for the 2015 I/I Report requirements.

Sincerely,

WOODARD & CURRAN
